

Online training

Below are some distance learning proposals, which will be accounted for in your training plan for the volume indicated here (which may be different from what is indicated on the different websites). All follow-up certificates will have to be uploaded on the management platform for your training agreement.

MOOC on the FUN platform, with follow-up certificate issued at the end of the course:

- * **Ethique de la Recherche** / **Research integrity in scientific professions** : 15h
- * **Introduction à la statistique avec R** - 25h
- * **Recherche reproductible : principes méthodologiques pour une science transparente / Reproducible Research: methodological principles for transparent science** - 25h

Language courses:

- * English on E-Learn : contact M. Walton (ed.sciences@univ-pau.fr)
- * Spanish on E-Learn : contact Mme Armenta (ana.armenta@univ-pau.fr)
- * French Course **on the FUN platform**:
 - * **Niveau A1** : 17 sessions of 3 hours each (51h of training)
 - * **Niveau A2** : 18 sessions of 4 hours each (72h of training)
 - * **Niveau B1** : 22 sessions of 4 hours each (88h of training)

Below are other online training courses that do not issue certificates and cannot be taken into account in your training plan (but which may however be useful to you).

- * **French Course on Campus France Application**
- * **- Help for writing the thesis report:**

Conference " **Assieds-toi et écris ta thèse**" on France Culture rdio (in French).

Others:

- * Employment and professional integration advice:
