## UPPA general information

The official information of the University is gathered on a dedicated page:

<https://www.univ-pau.fr/fr/covid-19.html> (French).

See also <https://www.univ-pau.fr/en/news/coronavirus.html> for a shorter English version.

You will find there the “Continuity Newsletter”, which regularly informs students and staff about the measures taken by the establishment within its Activity Continuity Plan.

A support group has been created on [Facebook for all students of UPPA](#), and specifically to help those who may feel isolated or in difficulty. Do not hesitate to participate, everyone is welcome!

Would you have any questions or specific difficulties, do not hesitate to contact the [Service of Preventive Medicine and Health Promotion of the University](#) (SUMPPS), which may be of a great help.

Social Workers continue their support during the lockdown and you can take an appointment on the [CROUS platform of Bordeaux](#).

## Information from the Doctoral School ED 211

- \* The 2019 Doctors' graduation ceremony initially scheduled for June 2020 is postponed to a later date.
- \* The Doctoral School Days will not take place this spring, and we are very sorry about that.
